

Ted Allison President & CEO

With a goal to create an environment that allows business to succeed and the community to prosper, the St. Joseph Area Chamber of Commerce serves as a catalyst for overall economic expansion through business development leading to job retention and creation. Through collaborative efforts, the Chamber encourages community betterment and works toward the enhancement of St. Joseph as a place to live and work. In partnership with the business community, the Chamber identifies and facilitates the accomplishment of goals that lead to a strong, vibrant business environment.
