Small Business & Entrepreneur Forum

Women and minorities are encouraged to attend.

Wednesday, March 10, 2010

6:30 to 7:30 p.m.

Bartlett Center, 409 S. 18th St.

Are you wanting to start a business? Are you already in business? If so, please join us for a free informational meeting to discuss two key business resources available in St. Joseph. Officials from the St. Joseph Area Chamber of Commerce and the local Small Business & Technology Development Center will discuss a multitude of their service offerings. Many of the services are free to the community and can help businesses find alternative financing, perform marketing training and assist in business planning.

Please RSVP to Natalie Leonard-Redmond at (816) 364-4107, or leonard@saintjoseph.com. This is an open meeting -- please bring your friends and business associates.
